WASH & SHINE

Description: WASH AND SHINE is formulated to be used on all vehicle finishes. This safe and powerful cleaner removes dirt, grime and road film while leaving your vehicle clean and bright.

Applications

Automotive/Industrial/Marine
Used Car Reconditioning
Automotive Dealerships
Detailing
Body Shops
Auto Auctions

Benefits

Great lubricity
Enhances drying
Economical to use
Biodegradable
Body Shop Safe
Neutral PH

Directions

HAND WASHING:

1. Rinse excess dirt and grime when possible
2. Dilute 1 to 2 ounces per gallon of water.
3. Wash vehicle with clean mitt, sponge, terry cloth or foam brush.
4. Rinse vehicle with clear water and dry immediately with chamois or terry cloth.

Note: For best results, wash and rinse one section of the vehicle at a time.

Car Wash Tips:

When possible, use in shaded area and on a cool vehicle surface to prevent spotting.
Avoid using dirty towels or rags to dry your vehicle. Wash bird droppings, tar or tree sap as soon as possible.
